CERTIFICATIONS / ENVIRONMENTAL

J.S. McCarthy makes a serious commitment to our environment. We believe that environmental printing extends beyond chain of custody, certifications, and marketing buzzwords. We harness 100% of the power we use from the wind. Our lean manufacturing initiatives are aimed at eliminating waste in all aspects of our workflow. Environmental stewardship is part of the culture at J.S. McCarthy. Every day, our people strive to find innovative ways to protect our earth. Not only is it the right thing to do, it is just good business!

The J.S. McCarthy Printers Equipment List is on the reverse side. Requests for estimates may be submitted through your sales representative, emailed directly to estimating@jsmccarthy.com or by faxing the company at 207-622-2332.
